

Case No.: 2:20-cv-00834-APG-EJY

Plaintiff

**Order (1) Approving Defendant's
Individual Pretrial Order and
(2) Requiring Plaintiff to File a Proposed
Individual Pretrial Order**

V.

SAM'S WEST, INC.,

[ECF No. 38]

Defendant

I previously rejected the parties' proposed Joint Pretrial Order and ordered them to try again. ECF No. 37. The defendant subsequently filed a request for permission to file an individual pretrial order because the plaintiff, appearing pro se, has been unable to comply with Local Rule 16-3's requirements about preparing a joint order. ECF No. 38. I grant the defendant's request and will accept the defendant's individual order. I will set the trial date and order the parties to participate in a settlement conference. I will also order the plaintiff to file a proposed individual pretrial order, following the format set forth in Local Rule 16-4.

I THEREFORE ORDER that the defendant's motion (**ECF No. 38**) is **granted**. I approve the defendant's pretrial order and I will enter a separate order setting the trial.

I FURTHER ORDER plaintiff Kelly Green to file a proposed individual pretrial order that complies with Local Rules 16-3 and 16-4 by **November 17, 2022**. The failure to do so may result in sanctions, including dismissing Green's claims.

DATED this 21st day of October, 2022.

UNITED STATES DISTRICT JUDGE
